SOEU comes to Minehead on Friday 1st & Saturday 2nd April 2016

Team 3 – Stephen Fitzgerald stephen@soeu.co.uk

Avenue Church, Minehead – 10am to 5pm

Table top Sale, SOEU, Better Off Out, Vote Leave & GO leaflets

I wish to thank all of the SOEU activists who gave their total commitment to Saturday's event in the Avenue Church in Minehead. It was an impressive set up and we were rewarded with an excellent turnout and an equally impressive total of £361 after costs.

We sent the word around West Somerset from Minehead, Alcombe, Porlock, Williton and Dunster in the form of 5,000 leaflets announcing the event, Friday canvassing in the Parade, an advert in the WSFP and on street canvassing outside the church for a non-stop 7 hours from 10am to 5pm on the Saturday. We lost count of the numbers who attended.

We sold many good quality goods, answered many Referendum questions and gave out hundreds of leaflets both inside the hall and outside. Importantly, we gave out SOEU, Better Off Out, Vote Leave and GO leaflets. **It was a united front.** We were joined for part of the day by Tim Hegarty, GO Executive for the SW, who supplied goodies and leaflets for all of our four main groups and indulged himself with some canvassing of the many people who attended.

Add to this two men who signed up as activists one of whom donated a further £50 and we reached £411. I have attached a few pics.

This was a real team effort and I am proud of you all. **Next stop, Bridgwater next Saturday April 9th at Angel Place – 11am to 1pm**

SOEU comes to Frome Market on Sunday 3rd April

Team 1 – Chris Hill treasurer@soeu.co.uk

Frome Market

Four of us were out at the Frome Sunday Market today handing out leaflets, as were a group of Remain campaigners. I had tried to get a stall but was told that they don't allow political groups. After a couple of hours we were told to move out of the High Street because the organisers had booked it for the day and didn't want leafleters. The Remainers were told to move on as well. I met a Mrs Wood of the Vote Leave group. She is a member of the Conservatives but was very pro what we were doing. I gave her details of SOEU. Hopefully she will come on board.

Next event – SOEU comes to Castle Cary, Tuesday 19th April 10am
